

## Biography

Linda Moufid

Recovery Manager

Linda Moufid has over 22 years of experience in the banking and legal sectors.

She has held several positions in different local companies such as MEGA BUREAUTIQUE, Djibouti Telecom, Massida Transit, and COSMEZZ. She joined the former ICB Bank in 2008 in the customer service department and now works at iib as a Recovery Manager. She has been instrumental in the development and improvement of the bank's recovery system, implementing strategies to enhance debt collection efficiency and minimize financial risks. Her expertise in risk assessment and negotiation has contributed significantly to strengthening the bank's overall credit management framework.

Linda holds a technical degree in Assistant Management from the University of Djibouti.
